cw = Reported count week
 US = Flagged as an unusual species
 HC = Flagged as an unusually high count
 LC = Flagged as an unusually low count

Species Requiring Rare Bird Reports to be Submitted to Regional Editor

Species

Red-breasted Merganser [Mergus serrator]

Special Aspects

We were very happy to NOT start the day with ice on the roads/grounds like last year! There was plenty of water around but very few ducks were found. Apparently they chose water bodies outside the circle or not visible to us.
